Special Note:

AP: These trips serve Applied Materials. In the morning, passengers board along Congress Ave. (west side of street bus stops), and express to Applied Materials arrives at approximately 7:00 a.m. In the afternoon, this trip picks up passengers at Applied Materials at approximately 5:35 p.m. and expresses directly to downtown (Congress Ave.).

The Night Owl works when you do.

If you work nights – or want to work nights – the Night Owl is your ride from midnight to 3:00 a.m., Monday through Saturday. With expanded routes, low bus fares, convenient service and destinations all around town, including downtown, the Night Owl will get you home or to work safe and on time.
