Manchaca Flyer

Notes:

Buses on the Flyer routes stop less often. Typically, Flyers offer direct service between neighborhoods and the UT campus or downtown Austin.

Northbound (morning)—after departing Manchaca/Stassney timepoint, all buses are instructed to “make best time” as traffic and safety will allow. Thus, the scheduled times for points along the downtown and University areas are approximate. After departing the “last outlying bus stop” served (at Manchaca/Prather—just north of Ben White Blvd.), service will be “drop-off” only (no additional passengers will be allowed to board).

Southbound (afternoon)—after departing Lamar/5th timepoint, all buses are instructed to “make best time” as traffic and safety will allow. Thus, the scheduled times for points south of downtown are approximate. After departing the last downtown area bus stop served (Lamar/5th), service will be “drop-off” only (no additional passengers will be allowed to board).
