

TAP & GO!

Capital Metro is introducing new 31 and 7-day passes that are tapped on the validator rather than swiped or inserted in the farebox. This contactless payment is safer and can get you on the bus faster.

WHAT IS DIFFERENT?

VALIDATING THIS PASS

Bus use: Tap card on scanner to pay your fare. Card expiration will display on the scanner.

Cards are not reloadable.

7-Day and 31-Day Passes are accepted on Pickup but are not valid for Metro Access trips.

Pass is subject to revocation upon misuse. Capital Metro is not responsible for replacement of damaged, lost or stolen passes. Reduced Fare pass holders will be required to show their Reduced Fare ID Cards.

NEW

Solid color with "Tap" symbol.
Uses chip that is read by a validator.

OLD

Gray bar at the bottom.
Magnetic strip on the back.

HOW TO USE NEW CARDS

The new cards are tapped at the validators located inside the doors of the vehicles. Tap the card on the icon on the validator. You will hear a beep and the screen will let you know if your card is valid and display the expiration date. Passes must be presented to conductors on rail.

SAFER AND FASTER, JUST ONE MORE WAY CAPITAL METRO KEEPS YOU RIDING WITH CARE.
