

NEW TICKET VENDING MACHINES

CapMetro's new ticketing machines will make your trip easier and better.

USE THE TOUCH SCREEN TO GET STARTED.

1. Select the kind of pass you want (Local or Commute).
2. Select the pass you want (Single Ride, Day Pass).
3. Add pass to cart and select Check Out.
4. Select how you want to pay (credit or debit card, cash).
5. Pay for your pass and pick it up from the coin return.

You're ready to board the bus and scan your pass at the validator. Or, board the train and show your pass to the conductor. Thanks for riding!

EXACT CHANGE:

Our new ticket machines take cash and cards, but they do not give change. Any change owed to you will be returned as a credit in the form of a voucher.

STORED VALUE CARD:

If you want to use a Stored Value Card to pay your fare, tap the target with your card where indicated on the machine.
