

Changes to Schedules

Every day, changes occur to roads, businesses and communities that can affect the transit system. We respond by regularly reviewing these changes and then determining if adjustments to our service need to be made. CapMetro also frequently offers expanded services for special events like South by Southwest, ACL and Austin FC games. Stay up to date on the latest impacts to CapMetro's service on the Service Alerts section on capmetro.org and subscribe to our MetroAlerts service to get updates on your specific route straight to your phone.

Service Change

In an effort to improve service and respond to any changes in the city, CapMetro adjusts service every January, June and August. Visit capmetro.org/servicechange to view information.
