

# Changes to Schedules

Every day, changes occur to roads, businesses and communities that can affect the transit system. We respond by regularly reviewing these changes and then determining if adjustments to our service need to be made. CapMetro also frequently offers expanded services for special events like South by Southwest, ACL and Austin FC games. Stay up to date on the latest impacts to CapMetro's service on the CapMetro Alerts section on [capmetro.org](http://capmetro.org) and subscribe to our CapMetro Alerts service to get updates on your specific route straight to your phone.

## Service Change

In an effort to improve service and respond to any changes in the city, CapMetro adjusts service every January, May/June and August. Visit [capmetro.org/servicechange](http://capmetro.org/servicechange) to view more information.

## Special Event Service

CapMetro provides extended service during many major local events. During Reduced Sunday-level service, high-frequency routes operate every 30 minutes.
