The new MetroRail schedule includes longer layovers at certain stations for northbound trips during the morning rush hours and southbound trips in the afternoon. Two trips in the morning will include 10-15 minute waits, and afternoon trips include waits of up to 25 minutes primarily at Lakeline Station. Please review the timetable above when planning your trip or use the CapMetro App's Trip Planner.

Capital Metro provides extended service during special events and holidays like SXSW, ACL Festival, 4th of July and Halloween. To be sure you have the most up-to-date schedule information for such events, please check capmetro.org.
