### SAFETY REMINDERS

- Maintain a safe distance between you and any bus or train while waiting. Standing on the curb, street or near the train tracks can be dangerous.
- Never cross in front of an approaching bus, even if you think there's plenty of room. Cross tracks ONLY at designated pedestrian or roadway crossings, and obey all warning signs and signals. Always stop and look both ways.
- To ensure shorter wait times at bus stops, please exit the bus from the rear door and reserve the front door for boarding customers. Watch your step when boarding and exiting.
- On the bus, alert your operator in an emergency. On the train, contact the engineer in an emergency by using the passenger intercom units located next to the doors.
- Do not distract your operator.
- Shoes and shirts are required for riding.
- Toss food and open drinks in the trash before boarding.
- Pets are not allowed on board.

In an effort to protect the health of customers and employees, tobacco use is prohibited on all CapMetro vehicles, near boarding areas of CapMetro transit centers, train stations, Park & Rides and within 15 feet of every CapMetro bus stop.

### AVISOS DE SEGURIDAD

- Mantenga una distancia segura entre usted y algún autobús o tren cuando está esperando. Estar de pie al encendido, en la calle o cerca de la vía del tren puede ser peligroso.
- No cruce en frente de un autobús acercándose, aun si cree que hay espacio. Cruza las vías del tren SOLAMENTE a los pasos peatonales demarcados, y obedezca todas las señales de aviso. Siempre pare y mire en ambas direcciones.
- Para que los tiempos de espera en las paradas de autobús sean más cortos, descienda del vehículo por la puerta trasera y deje la puerta delantera para los pasajeros que suben. Tenga cuidado al subir al vehículo y al descender.
- En el autobús, avise a su operador en caso de emergencia. En el tren, contacte al ingeniero en caso de emergencia utilizando los intercomunicadores para pasajeros que se encuentran junto a las puertas.
- No distraiga la atención del operador.
- Shoes and shirts are required for riding.
- Tire en la basura la comida y las bebidas abiertas antes de abordar.
- No se permiten las mascotas a bordo del autobús o el tren.

En un esfuerzo por proteger la salud de clientes y empleados, se prohíbe el uso del tabaco a bordo de todos los vehículos de CapMetro, cerca de las zonas de abordaje en centros de tránsito, estaciones de tren, Park & Rides y a menos de 15 pies de cada parada de autobús de CapMetro.
