

Full MetroRail Suspension, July 15-23

MetroRail service will be suspended from Friday, July 15 to Saturday, July 23 so CapMetro can perform maintenance along the entire rail line.

There will be no MetroRail service during that time. We will operate a shuttle that serves Leander, Lakeline and Howard Stations before heading to Downtown Station.

Suspensión Completa del Servicio de MetroRail, 15-23 de julio

El servicio de MetroRail se suspenderá los 15-23 de julio porque CapMetro está realizando mantenimiento de la línea del tren entera. **Durante ese tiempo no habrá ningún servicio de MetroRail.** Operaremos una ruta de autobús que sirve las estaciones de Leander, Lakeline y Howard antes de viajando a la estación Downtown.
