

In order to process a request for a Right-of-Way (ROW) Agreement with Capital Metro, Capital Metro must receive the following information:

- A complete application signed by an authorized representative of the applying company. If a contractor, contractor must provide documentation that they are an authorized representative of said company.
- A \$750 non-refundable application review fee in the form of a cashier's check or company check. All applicants, including governmental entities are required to pay this application fee.

Important: Checks for the application fee should be made payable to Capital Metro, designated as ROW License application fee, with a copy of the application included and mailed to:

Capital Metropolitan Transportation Authority
Accounts Receivable
P.O. Box 6308
Austin, Texas 78762-6308

A complete application package should contain all of the following:

- A transmittal letter detailing the proposed use of the ROW. The letter may include additional information such as special circumstances, a description of special conditions affecting your application or use of the ROW.
- One (1) original and one (1) copy of the completed application form, and a copy of payment submitted to Accounts Receivable.
- Two (2) sets of Plans and Specifications signed and sealed by a registered engineer in the State of Texas. All plans submitted must call out the CMTA right-of-way boundary lines (preferably bolded to stand out) and identify the width of the ROW, mile post, tracks, stations, facilities and known underground facilities, call out the proposed installation or utility (example: 12" water line installed with 24" steel casing pipe), show plan and profile view and show the distance from the beginning point of where proposed utility intersects the Capital Metro railroad tracks to the centerline of the nearest street (measured in feet).
- Two survey plats with metes and bound description signed and sealed by a registered professional land surveyor in the State of Texas, and identify the location of the proposed project and all adjacent landowners.
- Two copies of recorded deeds showing the current ownership of all contiguous property.

Upon receipt of the above items, including a check, your request and materials will be distributed to the Rail Operations Department for review and concurrence. Please note: No work can be performed in the ROW without a signed and valid license agreement. Pending approval, your request will then be appraised by Capital Metro Real Estate & Right-of-Way, and Legal staff to prepare the necessary documents for execution.

Once the necessary documents have been approved by the above mentioned Capital Metro staff, one (1) original will be sent to the applicant for execution. After execution by an authorized representative of the applicant, the original executed documents must be returned to Capital Metro, along with a cashier's check or certified check for the first annual fee, if required, and proof of insurance. Upon execution by Capital Metro's Vice President of Real Estate and Property Asset Management, a copy of the fully executed documents will be forwarded to you for your records.

Should there be any conflicts with the proposed project or a denial of request, applicant will be notified via letter about the conflicts and Capital Metro engineering comments. Capital Metro staff will be pleased to advise you of status during any stage of the application process.

Please use the enclosed checklist and submit your completed application package:

- Application fee in the form of a cashier's check or company check in the amount of \$750.
The application fee is non-refundable regardless of the resulting action by Capital Metro.
- A letter of transmittal
- A completed and signed applications and supporting documentation
- A signed Resolution or Certificate showing who is authorized to sign on behalf of the applicant
- A copy of the check sent to Accounts Receivable

If any of the required submittals are missing, it will be considered an incomplete packet and will be returned to you for completion via USPS Mail. Submit completed application package to:
